SHORT STOPS.

John Thompson in "A Huge Joke," at Opera House Saturday night.

Mr. S. E. Cazatt succeeds Mr. Siegel as ticket agent at the L. & N. depot in this city.

Mr. J. L. Phipps bought the three remaining lots of the Tompkins property Tuesday.

Mr. Jo. Boiling has bought of Dr. Wilson, the Dr. Beaumont residence. The price paid was \$5,000.

Mr. R. H. Burney has bought of Mr. Emmett Morrow the Judge Lorton residence, paying the amount of \$7,125.

Mr. Alex Frech living on McAdoo creek, lost a barn by fire Sunday, containing some three or four thousand pounds of tobacco.

Mrs. Sam Hinton of the Seventeenth district, lost a barn containing about five hundred sticks of tobacco by fire on Thursday of last week.

John Thompson, in "A Huge Joke," will be presented at Elders Opera House Saturday night, October 6th. There is fun and lots of it. Don't miss it.

Mr. and Mrs. Hodgson returned from the Eastern cities several days ago. Mrs. H's new millinery goods are already arriving and specimens can be seen by examining their beautifully decorated windows.

Carrie Hinton, the thirteen year old daughter of Mrs. Julia Hinton of the Southside, died Sunday night of typhoid malarial fever. The many friends of the bereaved family deeply sympathize with them in their afflictions.

Mr. C. T. Horseley, of the Eleventh district, lost a barn of tobacco by fire Sunday morning. The barn contained the product of ten acres, being his entire crop. Mr. Horseley is an old man and this loss falls very heavily on him.

The term of office of the Tobacco Inspectors has been changed from one to two years, and the same gentlemen were re-elected Monday. They are Messrs. T. L. Porter, W. F. Buckner, Austin Pay and R. L. Ellis. This is a splendid endorsement of their past services.

The new Mission church in South Clarksville, is now complete with the exception of the painting, and services will be held in it next Sunday. The citizens of that locality deserve great credit in building this church, as many in the city did not know that such an enterprise was on foot.

Mr. Lewis Ragsdale, son-in-law of Mr. R. D. Moseley, has bought of Mr. John Hurst, a lot containing about four acres. It is a portion of the Wisdom property on Madison street. The price paid was \$5,500. We understand that Mr. Ragsdale will build a fine residence on it at once.

Do not fail to attend the speaking Saturday at the Court-house, by Hon. Josiah Patterson, Democrat, and Hon. H. B. Lindsey, Republican, electors for the State at large. They have been having large crowds wherever they have spoken, and our people should turn out and hear them.

The handsome new Female Academy has been completed and was occupied last Monday by Mrs. Buford and her pupils. Our citizens generally rejoice at the completion of this institution of learning, and all who have daughters to educate cannot do better than to send them to the Clarksville Female Academy.

Attention is called to the card of our old friend Dr. T. A. Thomas, who has accepted a situation in the drug store of Mr. E. R. Bogard in the Arlington building. To all of the old citizens who know Mr. Thomas it is unnecessary to commend him, but to the younger generation we would say that he will deal fairly and squarely with you every time. Give him a call.

Col. Copelands lecture was cut according to the tight pants period. In his impersonation of our town pets—the dudes—he should remember that the style has changed a bit. The dimensions of a coffee sack would best represent the existing style of dudes' pantlets.

The Tennessee Conference meets on Wednesday, October 17th at Fayetteville. Round trip tickets will be sold by the L. & N. railroad on Monday and Tuesday October 15 and 16, at one and one-third fare. Tickets will be good for return trip until October 29. Ask for round trip tickets as the certificate plan has been abandoned.

Tom Keene was here last week, and presented Richelieu to a fair audience, considering that Saturday night is a bad night for theater goers to turn out. Mr. Keene was himself in his full power and vigor, but his support does not do him justice. Clarksville appreciates his visit and Mr. Keene was so well pleased that he promises already to give us a date next season.

Attention is called to the new advertisement of the Central Roller Mills which appears in this issue of the CHRONICLE. Messrs. Kendrick, Pettus & Co., the proprietors, announce that they will exchange any day in the week flour and meal for wheat and corn. Such an arrangement is a great convenience to our farmers and the accommodation thus extended at tests the liberality and enterprise of these worthy mills.

Rev. W. T. Bouldin, pastor of the Palmyra circuit, closed a weeks revival at Palmyra Sunday night. There were over fifty conversions, thirty-three of whom united with the Methodist, and three with the Cumberland Presbyterian churches. Rev. A. Barnes of the Baptist church, assisted during the meeting and quite a number will join his church. It is said that this was the most powerful revival that was ever known in the ancient city of Palmyra.

Mr. Wm. B. Cross, of Fredonia, died at his residence, Sept. 25th in the 55th year of his age. Some few months ago he had a stroke of paralysis from which he partially recovered but a second attack caused his death. Mr. Cross was a good citizen, an energetic man, and will be greatly missed by his numerous friends and neighbors. His remains were deposited in Greenwood cemetery Saturday, with services by Rev. H. L. Burney.

Warfield-Marable.

The marriage of Mr. Edward Warfield, of Ft. Worth, Texas, to Miss Nannie Marable of this city, occurred at the Methodist church on Tuesday afternoon at 5 o'clock, Rev. J. B. West, of Nashville, officiating.

The church was fairly filled with the numerous friends of the contracting parties, numbering many of the leading people of the city. Miss Marable is a sister of Dr. T. H. Marable; and the size of the audience present and the many congratulations offered better attest the extent of her popularity among the circle of her acquaintances than could be shown by the pen of the writer. Mr. Warfield was reared in this city, but is at present extensively engaged in farming near Ft. Worth, where he takes his bride to bless and comfort his life in the Lone Star State. The CHRONICLE adds its wishes to those of their legion of friends that happiness may hover around their hearthstone.

Lundi Club.

The club will meet at Mrs. Polk Johnson's Monday evening, October 8th. The program is as follows: Author, Mrs. Ella Wheeler Wilcox; Biography, J. R. Herndon; Recitations, Misses Ellie Henry and Jennie Mattill; Selections, Misses Laura Smith, Levitt Lawrence, Miss Meriwether and Mrs. Kimbrough; Criticism, Prof. Morton; Music, Misses Emma Tyler, Eddie Poston and Jennie Bailey, and Messrs. King, Boyd, Sutphin and Sam Hodgson.

F. D. Daniel and J. L. Sutphin were elected president and secretary pro tem respectively, at the last meeting. A full attendance is requested at the next meeting in order to arrange program, etc., for the coming winter.

NEGLECT kills injuries; revenge increases them. A neglected cold increases its injurious effects on the system till consumption finally kills, unless cured by Warner's Log Cabin Cough and Consumption Remedy. It is ye reliable remedy of ye olden time.

McGhee Brothers.

On Monday last as announced by hand bills the formal opening of their mammoth stock of new fall goods was made by McGhee Brothers. While it was purely an affair of business enterprise, yet it was an occasion of real enjoyment to the crowd of people who gathered there, not only affording a chance for those who desired to purchase from the stocks of pretty goods displayed, but also serving to afford each visitor an opportunity of strolling through one of the handsomest arranged business houses in the State. There was music, flags, pretty women and polite clerks, the whole scene vied in beauty, the decorative display and jubilee of a fourth of July celebration.

The room which constitutes their large dry goods emporium, is the one known as the Coulter stand, while the room next door formerly occupied by Fox & Smith has been fitted up in tasty style, and is filled brim full of a well assorted stock of hardware, glassware, queensware, tinware and groceryware—as it were—while the two rooms are conveniently connected by an apparatus for handling cash receipts by means of a net work of wire gutters, through which little balls containing amounts paid for various articles are conveyed directly to the cashiers stand in the center of the building where change is made and returned to the waiting customer who observes with interest and admiration, the perfect system of attending the wants of customers which this progressive firm have adopted in every detail of their business. All day long the dry goods, clothing, grocery, hardware and all other departments of this popular house were filled with customers, while busy clerks hurrying to and fro, put an air of prosperous business to the surroundings, which knocked dull care and hard times higher than a kite.

McGhee Brothers have opened the fall trade with a vim which plainly manifests that they intend to sell their share of the goods in their different lines, and bringing as they do, such a splendid assortment to this market, together with their push and energy, a big round fat success will crown their efforts. Call on them and observe for yourself.

PURE BLOOD IS OF PRICELESS VALUE.

The Blood Balm Co., Atlanta, Ga.
 My Dear Sir—I have for sometime past used "B. B. B." as purifier of the blood and to build up the system generally, and consider it without exception the finest remedy of the kind in the market.
 Yours with best wishes,
 ARTHUR G. LEWIS,
 Editor Southern Society.

Enfield, Ala., July 4, 1888.
 B. B. B. Co., Atlanta, Ga.
 Gents—I cannot say enough in praise of your Blood Purifier. Twenty-five dollars per bottle would be a small price for it compared to good it did me and in so short a time. I was covered with sores all over my arms and legs and I took stacks of so-called blood purifiers and none did me any good—in fact I was daily growing worse. I bought a bottle of B. B. B. and before I had used the first bottle I knew I had got hold of the right medicine, and after taking four or five bottles I was a well man.
